## Screaming Eagle Medical Home expands enrollment

**FT. CAMPBELL, Ky.** — The Screaming Eagle Medical Home, a community based medical clinic operated by Blanchfield Army Community Hospital (BACH), is expanding eligibility to allow more individuals to receive medical care there. The clinic is located in Medical Office Building One, 647 Dunlop Lane, Suite 301, next to Gateway Medical Center.

Enrollment is open to active duty Family members living in the following zip codes: 37010, 37032, 37035, 37040, 37043, 37146, 42204, 42234, and 42265. Also, active duty Family members who live in the 37042 zip code and are within a 10 minute drive time from the clinic are eligible to enroll.

Eligible patients may choose to switch to the Screaming Eagle Medical Home or remain enrolled to their current healthcare provider.

Patients who would like to change their enrollment to the Screaming Eagle Medical Home should complete and sign the primary care manager (PCM) change request form that arrived in the mail. Patients who did not receive the form by mail may download a copy from BACH's website at [www.campbell.amedd.army.mil](http://www.campbell.amedd.army.mil) or obtain form at the Tricare Service Center from 8 a.m. to 5 p.m., Monday through Friday. The Tricare Service Center is located in Bldg. 2525, 22<sup>nd</sup> and Indiana Ave. Beneficiaries who need assistance completing the PCM change request should contact 1-877-TRICARE (874-2273).

After the forms are completed and signed, submit it through one of the following processes:

- 1) Scan and e-mail it to [Kenneth.giffin@healthnet.com](mailto:Kenneth.giffin@healthnet.com)
- 2) Fax to (931) 431-6168
- 3) Take the form to Fort Campbell's Tricare Service Center during operating hours.
- 4) Mail to the Tricare Service Center, 2525 22<sup>nd</sup> St., P.O. Box 444, Fort Campbell, KY 42223

Patients should continue to be seen at their current clinic until Screaming Eagle Medical Home staff contact them. Screaming Eagle Medical Home staff will invite patients to meet their personal healthcare team.
